adjustments)

HUD has adopted a DocuSign process for all Contract Renewals. Due to this change, a routing slip is required for your contract renewal, regardless of type and/or terms. Please click this [link](#) to download the PBCA routing slip and complete the property portion (page one) of this form. Once completed, please submit it as a Word document to cahi-submissions@cgifederal.com. The property will have another opportunity to verify and update this form (if necessary) before the contract is signed.

NOTE: This list of documents is not exhaustive. Please be advised that other documents may be required for the renewal option selected. Additionally, with the exception of the HUD forms, the samples within the links serve as acceptable templates. You are not required to use these documents.

Per the section 8 renewal guide, should a notice need to be issued for both a rent increase and a utility allowance decrease, a single notice is sufficient if the owner clearly identifies both items in the notice.

Please submit all Rent Adjustment and Contract Renewal documents via email in pdf format to cahi-submissions@cgifederal.com with a cc to your CAHI Central Contract Specialist.
